Application No. 09/815,878

Petition dated October 3, 2005

Petition to Revive to Office Action mailed February 9, 2005

**Statement Under 37 C.F.R. 1.137(b)**

Applicant hereby states that the failure to respond the Office Action mailed on February 9, 2005 within the Statutory Period was unintentional.

The attorney who initially handled the prosecution of the patent application at Manatt, Phelps & Phillips left the firm during the time period when the office action was sent. Due to a docketing error, the prosecution of the application was not transferred to another attorney.

Applicant hereby petition under 37 C.F.R. 1.137(b) that the above-identified application be revived as the failure to timely respond was unintentional. A response to the Office Action mailed February 9, 2005 is enclosed herewith.

Pursuant to 37 C.F.R. §1.25(b), the Commissioner is hereby authorized to charge any additional fees to our Deposit Account **50-1847**, or to credit any overpayment to the same for all matters during the prosecution of this application. This authorization should be treated as a general authorization to charge fees set forth in 37 C.F.R. 1.16 or 1.17 to Deposit Account **50-1847** for the entire pendency of this application. A duplicate copy of this Response is enclosed for deposit charging purposes only.

Respectfully submitted,
